Aw~~~
Shit!
Hamura Yuzuki
third year student
at Joukei University

Hey,
Hamura.
...the sky
has no
boundary.
It's as though...
We're
connected
no matter
where we are.

But...
Then...
...I laughed at his words.
...now I think I wish it were so.

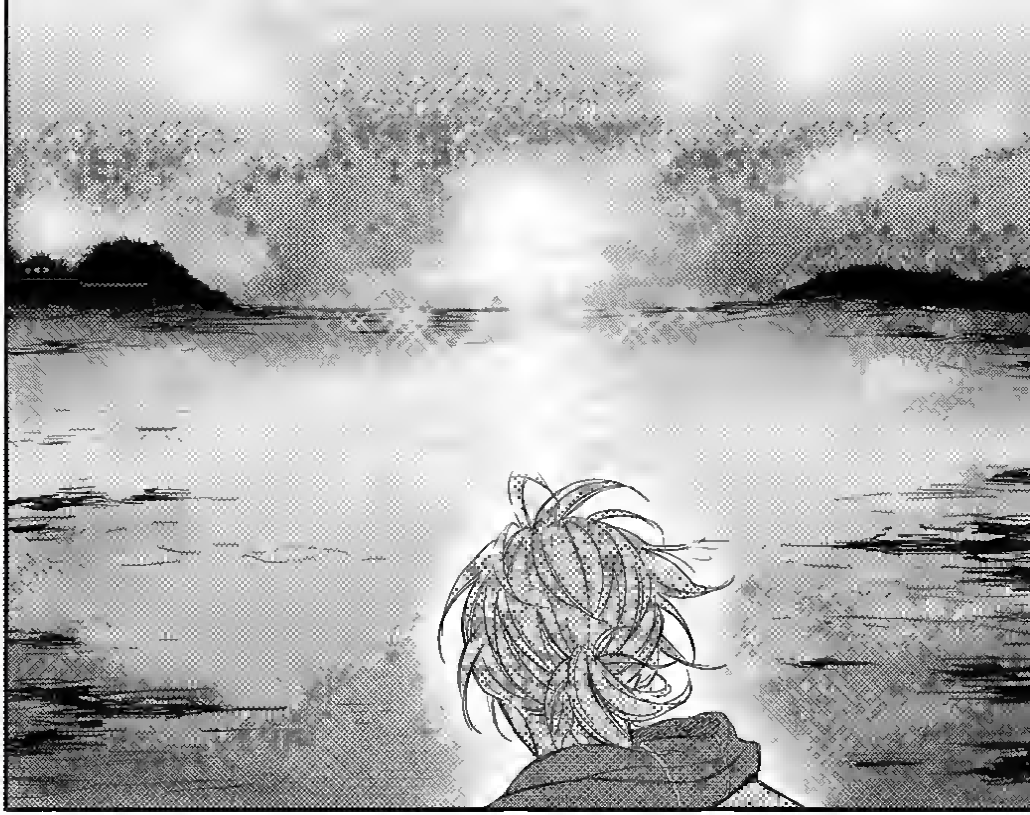
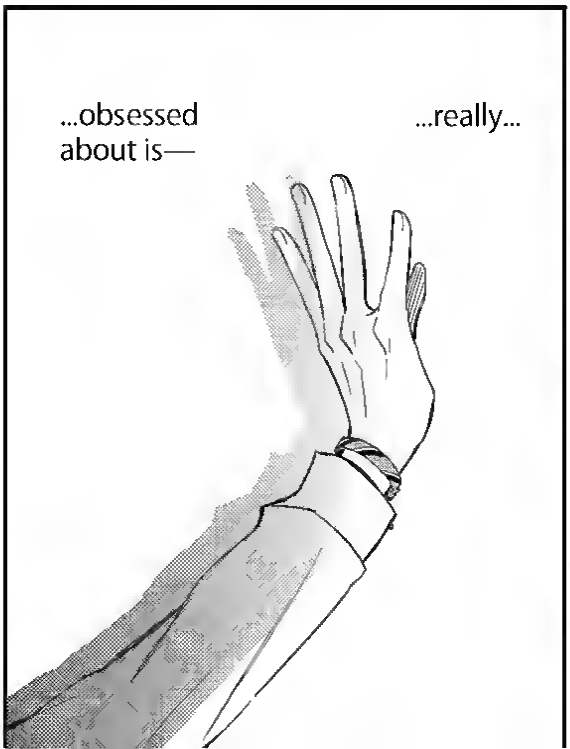
I've had a question for a while.
Captain,
Why do you want Hamura-senpai to run the 100 meters?
Maybe 'cause he has experience in the junior high and high school national championships?
He was even mentioned as a Japanese national team candidate.
What!?
No way!!
—but he suddenly quit the 100 meters.
I don't know the reason.
It was too late when I met him again at university.
These three years...
He had already fallen to pole vaulting.

...moving forward at all.
...I haven't been...
I find myself...
...lame and depressing.
huff
SFX: BIOO "HONKING"
Why are you obsessed with pole vaulting?

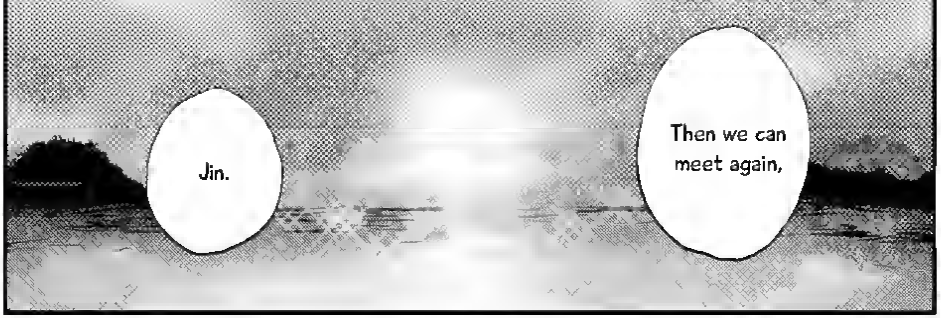




...obsessed about is—
...really...

What I'm...

We're
connected
no matter
where we are.
Hey,
you can see
this sky too, right?



If I do pole vaulting as he did,

surely we'll be connected somewhere.

If you could go back in time,
Corona Extra
what time would you pick?
I'd probably go back to my high school days
I wanna try having a date in uniforms again.
With you in your high school uniform-
That was...
...before you met me.

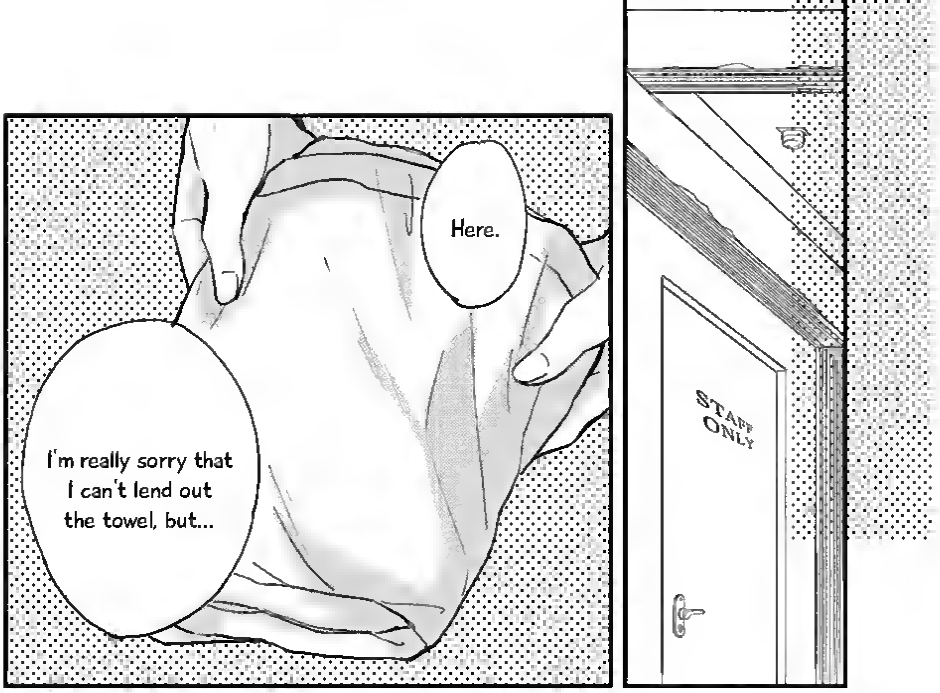
Jin!
—now, at last...
...it's not just the sky.
We're connected.

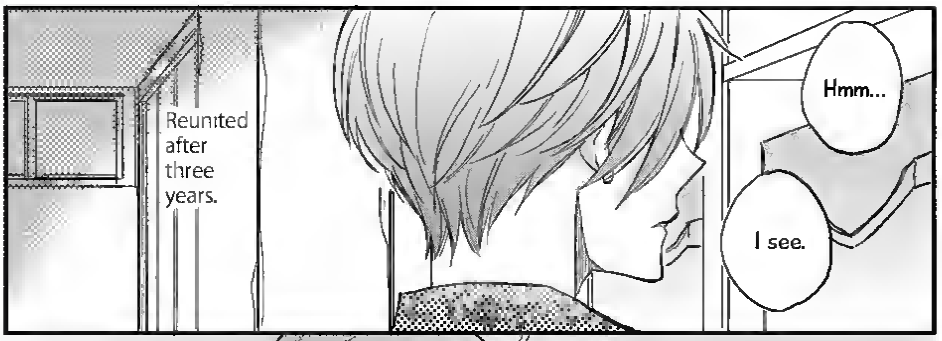


Here.
I'm really sorry that I can't lend out the towel, but...
STAFF ONLY

You wear a small, right, Hamura?
...if my uniform is fine, I can lend one to you.
...it's okay, thanks.

I'm okay in these clothes...
Bad... I'm getting nervous
Huh, really?
Hmm, let's see
Akishima Jin.
In high school, we were in the same year and in the track club together.

Your girlfriend...
She's not my girlfriend.
We just slept together a few times
you better make up properly.
...in any case,
she really got you there.



Jin has lost his boyishness.

His aura has changed completely.

The temperature control is here.
The towels are here.

Use as much of the toiletries as you want.
I'll put your dirty clothes in the washing machine.
Do you need anything else?
.. no, no need to worry..
it's perfect

Does that mean there's no lover?
Oh, sankyu—...

I live by myself so...
...make yourself at home.

—sure enough.
.....
SFX: ZAAAAA "SHOWERING WATER"
It's super awkward!!
SFX: ZU-N "GLOOM"
...how can he stay so calm!?
That Jin...

...as though nothing happened.

Jin is acting...

Inside of him...

...maybe I'm part of a past that was sublimated long ago?
